MEMORANDUM FOR: Project Director of Administration 2 May 1956

SUBJECT : Fifth Aircraft for Detachment A

REFERENCE : SAPC-5716 dated 27 April 1956

25X1A The present plan is that number 12 aircraft will be the fifth to be assigned to Detachment A. It is scheduled for delivery on 14 June. Kelly Johnson confirms that in his view it is desirable that it be delivered and flown prior to shipment overseas. Accordingly, it may be assumed that it should be ready for shipment about 25 June and should reach Detachment A before the end of the month.
